What is Homestead Exemption?

In 1938, the Mississippi Legislature enacted a law that would allow a property owner tax relief on his permanent (primary) residence. It is the responsibility of the applicant to take advantage of this privilege as this exemption is not granted automatically. An applicant must apply with the Tax Assessor and qualify for the exemption before it can be granted.

There are two (2) types of Homestead Exemptions:

Regular:

Allows for a graduated tax credit up to \$300 on a home, limited to the first \$7,500 of assessed value

Additional:

Allows for a total exemption from ad valorem taxes on properties, limited to the first \$7,500 of assessed value

The regular exemption is given to all eligible applicants. Applicants who are sixty-five (65) years old or older or who are totally disabled and can provide proof of such are eligible for the additional exemption.

One must be a bona fide resident of Mississippi

One must hold eligible title to the property

One must occupy the property as a primary residence on or before January 1st of the filing year
All vehicles possessed must be titled and tagged in Mississippi

Must pay all local and state taxes in the taxing district in which they reside

\$3,451.00	to	\$3,600.00	\$144.00
\$3,601.00	to	\$3,750.00	\$150.00

\$7,201.00	to	\$7,350.00	\$294.00
\$7,351.00	or higher		\$300.00

For example, if your primary home is valued at \$150000 and assessed at 10% (Class I Residential) and a Millage Rate of 105 and you qualify for a regular Homestead Exemption, use the following formula to assist you in calculating your taxes:

True Value x Assessment Ratio x Millage Rate = Real Estate Taxes

True Value \$150,000
Times Assessment Ratio x .10
Assessed Value \$15,000

Times Millage Rate x .105
Equals Total Real Estate Tax= \$1575.00

Less Regular Homestead Exemption - \$300
Equals Total Real Estate Taxes Owed \$1275

Note: If the property is your primary home and you are over 65 or permanently disabled, you may be eligible for an Additional Homestead Exemption, which is not reflected in the illustration above.
